Dear Lou,

I just wanted to let you know how happy our entire school was with your show. Many students and teachers commented that yours was the best assembly they've ever seen, and the 4th grade has been inspired to research their own folktales and re-tell them in their own way! I was extremely pleased with the Lenape tale. I appreciate your flexibility in making *Around the World* tie in with our *LIRRR* theme. You definitely made our PARP program a huge success-Thanks!

Sincerely yours,

Anne Muscarella

PARP Committee Co-Chair
