Dear Lou,

We would like to thank you for your performance of the "Make a Good Choice" assembly at the Grafflin Elementary School. The program brought to life many important character education lessons in a way that was fun and engaging for the children. They seemed to really connect to your stories and remained completely engaged throughout the show. We were very pleased with how you were able to direct the content of the shows towards the two age groups and how you made all of the children who participated on stage and at the microphone feel comfortable and positively about their participation.

Thank you for helping our children to make a good choice!

Sincerely,

A handwritten signature in blue ink, appearing to read "Jodi Katz" followed by a flourish and "Tracy Schaffzin".
